

# PLAN

- **Announcements**

- SA8/Final Exam review will be posted Wednesday April 30
- Thursday will be last day of new material and an outro
- Final projects are due Friday May 2<sup>nd</sup> (3 days)

- **Today**

- Please go complete the survey at <https://scsonline.ucatt.arizona.edu/>
  - 4 extra credit points if  $\geq 80\%$  of the class fill it out, over 40-point limit if applicable
  - They are anonymous. Even with that, I don't see them until after grades are in.
  - Please share what you thought about using LLMs and the open collaboration in class. I will be sharing summaries with the other CS faculty.
  - I read ALL the feedback and adjust future iterations of the class.
- Group work time, feel free to come up and ask questions
